

Psychology for All

A conference for members of the public interested in psychology and what it has to offer

Brought to you by the British Psychological Society's London & Home Counties Branch

<http://www.bps.org.uk/lhc/>

Psychology is a diverse discipline, populated by many different types of professionals. If you have ever thought, 'Why do people behave that way?' and wondered about the psychology of many phenomena throughout society, then you will want to attend.

FEATURING:

RUBY WAX and her search for someone to blame... or **How Ruby found Psychology**

PROFESSOR RICHARD WISEMAN, on the **Psychology of Luck**

40+ other sessions on different sub-disciplines and topics, including:

- Health & Well-being, including behaviour change, stress and healing
- Sports & Exercise: exercise motivation, self-fulfilling prophecies, dealing with stress
- Workplace issues: use of psychometric testing, coping with dyslexia, understanding feedback, workplace relationships, managing change, maternity return to work
- Coaching Psychology: using your strengths, career development
- Body image: eating disorders, bodily dissatisfaction, aging and facial surgery
- Development: gifted individuals, autism, perceptual development
- Careers in Psychology
- And more!: Positive Psychology, love-life management, motivation, women and money, prejudice, gambling addiction, research myths, forensics, celebrity & terrorism

PLUS, an exciting **Research Lab!!!** – participate in real research, including on-line surveys and computerised tasks on mental health, on-line counselling, body image, mood mapping, paranoia, facial recognition, implicit attitudes, graphic warnings, and more...
